

### **Annual Meeting.**

All members and their friends are cordially invited to attend the annual Meeting of the Association, which will take place on **Saturday March 3<sup>rd</sup> 2018** at Langford Lakes Lodge, Little Langford, Wiltshire, SP3 4PA.

The meeting will begin at 10.30 a.m. and the agenda appears below. We will provide coffee and refreshments. A buffet lunch will be available at a nominal charge of £6.00

We are very fortunate to have as our guest speaker **Don Stazicker**, a highly experienced instructor, fly tier and writer for Trout and Salmon magazine. He lives by the Derbyshire Wye where he is the Conservancy Officer for Cressbrook and Litton Flyfishers. He is a firm believer in selective trout and the need to marry the correct fly to good presentation in order to deceive them consistently. He pushes the limits of photographic and video technology in order to better understand how trout behave; that this helps him to catch more of them is purely co-incidental.

Don will be giving an illustrated talk on "Riseforms; can we tell what they are eating?" A subject close to all our hearts, and Don's photographs and video sequences will certainly prompt some serious thinking!

Here is a little taste of Don's photographic skills, and this link will take you to a brief but fascinating video clip:

Come along to the Annual Meeting and see much more!

### **Annual Meeting Agenda:**

Meeting begins at 10.30.

1. Apologies for absence.
2. Approval of the Minutes of the 2016 AM. These can be found on the Association's website at:

<http://wiltshirefisheryassociation.org>
