

Wiltshire Fishery Association.

New arrangements for the Annual Meeting.

Apologies again to all concerned, but we were obliged to postpone the March 3rd meeting because the weather conditions were so unpromising.

The Annual Meeting will now take place on **Saturday March 24th 2018** at **South Newton Village Hall**, the business meeting beginning at 10.30.

The Hall will be found adjacent to the A36 Warminster Road, at SP2 0PJ, on the left as approached from Wilton. There is car parking at the Hall. (Map below).

Our guest speaker, Don Stazicker, will be with us to give his illustrated talk on "Riseforms – can we tell what they are eating?" and a buffet lunch will be available at a charge of £6 per head, payable on the day.

Details are the same as given on the original calling notice, but there will be another item on the agenda, a report on the SWAMP project by Stuart McTeare.

Please contact the Hon Sec, Bob Male at this Email address, or by phone, to confirm attendance or send apologies for absence.:-
