

**The Annual Meeting of the Wiltshire Fishery Association will take place at The Wiltshire Wildlife Trust's Lodge at Langford Lakes on Thursday, March 28<sup>th</sup> 2019**

**The business meeting will begin at 10.30 after which the Hon Sec will present a report on the 2018 Fishing Season; other diversions to be confirmed.**

A free buffet and refreshments will be available.

**After lunch our guest speaker, Mr. Don Stazicker, will give a talk on:  
Riseforms - Can we tell what they are eating?**

Don Stazicker is a highly experienced instructor, fly tier and writer for Trout and Salmon magazine. He lives by the Derbyshire Wye where he is the Conservancy Officer for Cressbrook and Litton Flyfishers. A firm believer in selective trout and the need to marry the correct fly to good presentation in order to deceive them consistently, he pushes the limits of photographic and video technology in order to better understand how trout behave; that this helps him to catch more of them is purely co-incidental.

#### **ANNUAL GENERAL MEETING** **AGENDA**

1. Apologies for absence
2. Approval of the Minutes of the last AGM
3. Matters arising from the Minutes
4. Financial report on accounts for 2017-18
